

BoxCam-I

Auto Iris Color CCD Camera Kit with Night Vision

Features:

- Crystal clear indoor color camera with 1/3" SONY CCD sensor (better than 1/4" and CMOS sensor)
- 4mm auto iris lens provides clear picture quality when the camera is shooting towards window or door areas where light often changes
- Built-in 18 infrared leds for night vision (B/W) up to 40ft
- Convenient all-in-one D.I.Y. (do-it-yourself) kit

Package Includes:

- SM-308 box camera day/night with 4mm auto iris lens
- Wall-mount metal bracket
- 12v DC power adapter (UL)
- 60ft cable
