

# Security Door Stopper Alarm (2 pack)

The SecurityMan **DOORSTOPALM** is a simple way to provide security to your home or business from unauthorized entries. This compact door stop alarm is very easy to install and does not require any drilling or running wires. Simply insert the 3x AAA batteries and your all set. The **DOORSOPALM** is equipped with 120 decibel alarm which is loud enough to hear from anywhere in the house. It is padded on the bottom with non-skid rubber to keep a secure grip. It is pressure sensitive so that the alarm will trigger immediately when the door is opened.

## Features:
