# LCDDVR4-80K/320K

## Complete 4-Camera CCTV System

2 Indoor & 2 Outdoor Color CCD Cameras and 10.2" LCD/DVR Combo

### Features:

#### LCDDVR4

- Space saving LCD/DVR combo design
- 10.2" flat panel LCD color monitor with desktop and wall-mountable base
- Easy to use 4-ch duplex DVR (simultaneous playback/record)
- 2-ch audio inputs and 1-ch audio output
- Recording speed up to 60fps total (up to 30fps each camera)
- One internal SATA hard drive (i.e. 80GB/320GB records about 50hrs/200hrs @ default settings 30fps & normal quality)
- Selectable recording modes: Continuous, Motion Detection, Sensor activation, Time Schedule, and both Sensor & Motion detection
- Easy access using a remote controller and/or mouse control
- Easy backup to a portable USB flash drive and playback on a PC
- Power recovery auto record function
- Video loss alarm function
- Ideal security system for homes and small businesses

#### BoxCam-I

- Crystal clear indoor color camera with 1/3" SONY CCD sensor (better than 1/4" and CMOS sensor)
- 4mm auto iris lens provides clear picture quality when the camera is shooting towards window or door areas where light often changes
- Built-in 18 infrared leds for night vision (B/W) up to 40ft
- Convenient all-in-one D.I.Y. (do-it-yourself) kit

#### SM-306

- Convenient D.I.Y (do-it-yourself) camera kit including camera, bracket, VP cable and power adapter
- 1/3" CCD image sensor for high quality color pictures (better than 1/4" CCD and CMOS sensor)
- Weatherproof camera, applicable for outdoor and indoor, wallmount or ceiling mount
- Low lux camera for better view in darker environment
- Night vision (B/W) capability up to 50ft when infrared LEDs turned on during complete darkness
