

# SM-218

SecurityMan®

## Outdoor/Indoor wired 600TVL color camera kit with night vision & 60ft cable

The **SM-218** is a high resolution color camera with crystal clear images. It can be installed in either outdoor or indoor environment, connected to a recorder or to a TV monitor for live display. For user's convenience, the **SM-218** includes power supply and video cable. Most importantly, the new anti-cut mounting bracket design allows cable passing through and making it nearly impossible to cut the cable.

### Features:

- Color CMOS image sensor
- Crystal clear high resolution 600TV Lines
- Built-in 24 IR LEDs for night vision (B/W) up to 80ft
- Weatherproof camera metal case and anti-fog camera glass
- Convenient all-in-one D.I.Y. (do-it-yourself) kit including camera with lens, bracket, 60ft cable, & power adapter

### Package Contents:

- Weatherproof color camera with mounting bracket
- 60ft VP (video/power) cable
- 12v DC power adapter (UL)
- User's manual
