

SM-320S User Manual

Dummy Indoor Dome Camera w/LED

SM-320S is designed as a professional security camera for deterring unwanted intruders by just a fraction of the cost of a real camera. It comes with a flashing red LED light which enhances the presence of the camera. It can be used to mix in with real cameras or individually to increase security presence anywhere.

Package Contents:

- 1 x Dome Camera
- 2 x Warning Stickers
- Accessories (Screws)

Specifications:

- Indoor dome camera type
- Imitation IR LEDs and one flashing LED
- Plastic material
- Powered by 2*AAA batteries (not included)
- Dimension: $\varnothing 95*95\text{mm}$

Easy Setup Guide:

- Batteries Installation: please follow picture diagrams steps 1 to 7 below.

- Ceiling/Wall mount: Please follow steps 1 & 2 above to get to the base mounting bracket. Then secure the mounting bracket to the ceiling or wall as shown above in step 8 using the screws provided. Finally, tighten the dome camera by turning clockwise onto the secured mounting bracket, as shown in step 8.

Notice:

- SecurityMan shall not be responsible for any consequences of illegal conducts by users. It is recommended to consult with user's lawyer for any applicable local laws before use.
- When budget is limited for real cameras, a recommendation (although not a legal advice) is to combine dummy cameras with real cameras. Integrating with real cameras, while being strategic, allows adequate surveillance coverage the notion of cameras all over the premise.

Warranty:

SecurityMan warrants that this product will be free from defects in materials and workmanship for one year or otherwise specified on the product packaging. This limited warranty shall commence from the date of purchase. SecurityMan Products warranty is not transferable and is limited to the original purchaser. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, SecurityMan will repair or replace the product. This warranty shall not apply to products that have been subjected to abuse, misuse, abnormal electrical or environmental conditions, normal wear and tear or any condition other than what can be considered normal use.
