

SM-3802 User Manual

Dummy Outdoor/Indoor Camera w/ LED

SM-3802 is designed as a professional security camera for deterring unwanted intruders by just a fraction of the cost of a real camera. It comes with a flashing red LED light which enhances the presence of the camera. It can be used to mix in with real cameras or individually to increase security presence anywhere.

Package Contents:

- 1 x Camera with visor
- 1 x Mounting bracket
- 2 x Warning stickers
- Accessories (Screws)

Specifications:

- Dummy camera with one flashing LED
- Weather resistant & anodized aluminum casing
- Metal mounting bracket
- Looks like real security camera
- Powered by 2*AA batteries (not included)
- Adjustable mounting bracket
- Dimension: 280x120x90mm

Easy Setup Guide:

- 1: Use a Philip screw driver to unscrew the two screws located at the rear of the camera. Pull out the back panel cover, and insert 2 AA size batteries (1.5V, not included). Place the back panel back on and secure it with the screws. The red LED light will start to flash (batteries can last up to 8 weeks.).
- 2: Locate a suitable location and then use the screws provided to mount the camera/bracket to secure. Loop the imitated video cable to the hole of the base bracket.
- 3: Reposition the camera angle as desired.

Notice:

- SecurityMan shall not be responsible for any consequences of illegal conducts by users. It is recommended to consult with user's lawyer for any applicable local laws before use.
- When budget is limited for real cameras, a recommendation (although not a legal advice) is to combine dummy cameras with real cameras. Integrating with real cameras, while being strategic, allows adequate surveillance coverage the notion of cameras all over the premise.

Warranty:

SecurityMan warrants that this product will be free from defects in materials and workmanship for one year or otherwise specified on the product packaging. This limited warranty shall commence from the date of purchase. SecurityMan Products warranty is not transferable and is limited to the original purchaser. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, SecurityMan will repair or replace the product. This warranty shall not apply to products that have been subjected to abuse, misuse, abnormal electrical or environmental conditions, normal wear and tear or any condition other than what can be considered normal use.
